Hi Tom,

If you are seeing the Current Grants, you are not yet logged into the system. You need to be logged in to be able to see the completed application.

Please log into EGrAMS. You will use the drop downs at the top of the screen to get to the application:

Grantee → Grant Application → Enter Grant Application

Press the green GO button

On the screen that comes up, you should see the program application, and the words Application Entry / Work in Progress. If you click that link, you will enter the application.

To view the budget, click the Budget tab. You can then click the PDF button to access the budget details.

Thank you,
Laura

Laura -

After I log on, I select our Grant under "Current Grants" (Public Health Administration/PPSSP-2018 Pregnancy and Parenting Support Service Program – 2018). I then have three tabs: General – Additional Information – Documents. I click on "Documents" and find "EGrAMS Application Form". It loads a PDF with "Sample" appearing across it, nothing is pre-populated as indicated it should be, and I can't type on the form. Obviously I'm in the wrong place or I have not been given the right permissions yet.

Please help.

Tom

Laura -

Where is the updated Budget located on EGrAMS?

I only see the attached under the "Documents" tab.

Thank you!
Tom
